

WOULD YOU KNOW WHAT TO DO IN A BABY/TODDLER MEDICAL EMERGENCY?

Parent First Aid is Ireland's fastest growing first aid company, offering a 2 hour practical course that gives our attendees the confidence and basic life-saving skills to act quickly in the event of a family medical emergency.

Parent First Aid instructors are all qualified & highly experienced experts. Our reputation as a leading first aid training company has been built on delivering the latest first aid skills, in a relaxed and engaging learning environment.

The Parent First Aid training programme covers the following topics:

- Activation of Emergency Services
- CPR - Infant/Child
- How to deal with a Choking Infant/Child
- Burns & Scalds
- Meningitis
- Bleeding/Dressing Wounds
- Breaks/Fractures
- Plus other critical areas...
